Important Information for Animas Insulin Pump Users

Animas recently announced they have discontinued the manufacturing and sale of **Animas® Vibe®** and **OneTouch® Ping®** insulin pumps effective immediately. Current Animas pump users will continue to be able to obtain their Animas pump supplies and have their insulin pump supported through September 30, 2019.

Animas will continue to provide customer service, training and warranty support through the transition period, including providing insulin pump supplies used in conjunction with the Animas® Vibe® and OneTouch Ping®. **CCS Medical will continue to carry all Animas infusion sets and reservoirs through September 30, 2019.**

Existing CCS Medical Patients

- You can choose to stay on your current Animas pump through September 30, 2019. **If you choose to remain with Animas, there will be no change to your ordering process with CCS Medical.**
- Many of the main insulin pump manufacturers are offering transition programs that may allow you to switch your insulin pump with little to no cost! Talk with your health care provider to determine which option is best for you.
- If you do change your pump, we will update your next supply order and continue to provide you with your insulin pump supplies.

CCS Medical is a preferred partner with many of the main insulin pump manufacturers. We provide all the tools for managing and controlling diabetes!*

New CCS Medical Patients

- Whether you choose to stay with Animas or take advantage of one of the many available manufacturer transition programs, CCS Medical may be able to help with your supplies. Our complimentary insurance verification process will help to ensure that you receive all of your covered supplies through your insurance company.*

CCS Medical is the largest insulin pump distributor in the United States. We provide fast, free delivery for your insulin pump, CGM, and testing supplies ... right to your front door!
